Windows, plumbing, flooring, paint, exterior cladding, electrical and insulation - they even moved the electrical service underground so you can enjoy the backyard without powerlines! Not only that, in 2021 the roof had been updated and replaced bathroom exhaust fans and replaced 2 whirly birds. Inside features three bedrooms upstairs, large family room and large kitchen with island. The basement suite (illegal) features its own laundry, two more bedrooms, a den space and plenty of storage. A detached two car garage and landscaped backyard completes the home. The unique maintenance-free exterior features Hardie board siding and Nichiha panels imported from Japan, giving a unique look to this gem.
