WOW take a look at this lovely fully developed 5 bedroom Bungalow that has undergone a complete transformation with modern updates inside & out & is located on a private street in the desirable neighborhood of South Patterson. This area has large lots, many mature trees & is very close to the walking trails in Muskoseepi Park, recreation facilities at Eastlink Centre, shopping, restaurants & entertainment. As you walk up to the front of this home you will see an inviting red door with freshly painted steps & noticeably completely redone exterior. Once inside you will appreciate the freshly painted walls, the updated vinyl plank flooring & clean appearance. The large kitchen is a showstopper with black granite counters, white cabinetry & custom tiled backsplash, as well as stainless appliances (Fridge, Stove, Dishwasher, Hood fan) and a corner pantry for food & small appliance storage. There is a spacious separate dining room just off kitchen, open to kitchen through a half wall, which offers abundant natural light & back door access to the beautiful backyard. There are 3 bedrooms & a 4 pc. bathroom on the main floor located down the hallway from the living room with vinyl plank flooring throughout (no carpet). The finished basement features a large family room with built-in speaker system & ceiling projector for movie nights, as well as a beautiful wet bar with full-size fridge, microwave, separate large freezer & abundant shelves & cupboards. Basement also includes 2 good-sized bedrooms & an updated 3 pc. bathroom with a large 5 ft. fully tiled shower with glass doors. The laundry area is in the utility room, which offers shelving & good storage. There is vinyl plank flooring throughout basement. The basement could serve as in-law suite, & has rental suite potential with a little additional work. Large & private backyard provides a lush retreat, with mature trees, fruit

trees/bushes (saskatoon, cherry, raspberry, haskap, blueberry), raised garden beds with irrigation system, small greenhouse, and full fencing. The backyard also features attractive paving stone walkway that leads to 2 separate patio areas, one with gas line connection, perfect for BBQs & outdoor gatherings. Grass easement behind home provides separation from rear neighbors for additional privacy. Large matching shed with concrete foundation, double doors, windows & built in shelving, suitable for storing small motorized vehicles & garden tools or for using as workshop or kids' playhouse. Extra wide concrete driveway has parking for 4 vehicles, with additional gravel extension suitable for parking RV & extra-wide gate that can fully open from driveway into backyard. This is really a fantastic property in a great neighborhood. Don't wait - it will be gone!!
